RECEIPTS:- The main source of income under Elementary Education Fund Account consists of the income from Elementary Education Tax Government grant under Section 37 of the Madras Ele. Education Act and the proviso thereto. The income being sufficient to cover up the expenditure for the maintenance of 5 Elementary Schools under the Council, no contribution from General revenue is needed. But a token sum of Rs. 500/- from the General Funds is proposed in the Revised Estimate for 1953-54 and Budget Estimate for 1954-55.

Under Capital account credit has been taken in the Revised Estimate for a sum of Rs. 3,000/- as Government grant sanctioned in respect of the construction of South Higher Elementary School being the balance of the grant of Rs. 7,000/- sanctioned for the said purpose. A nominal sum of Rs. 300/- is proposed to be transferred to Capital.

EXPENDITURE:- The expenditure provided for in the Budget Estimate for 1954-55 against "Staff - Salaries & allowances" is inclusive of the existing temporary staff consisting of two Secondary Grade and Six Higher Elementary grade trained teachers which are proposed to be continued during the Budget year also. The provision made against Deanship allowance, House Rent allowance and contribution to Provident Fund is normal. The increase in the provision for "House Rent" is due to the shifting of Kimmimulky School to a spacious building on a higher rent. The increased provision made against "repairs to buildings" in the Budget Estimate is to cover up charges for maintenance of the two elementary schools owned by the Municipal Council. The provision made against other heads of account are normal and calls for no detailed explanation. Under Capital a sum of Rs. 6,500/- has been provided for in the Revised Estimate for 1953-54 against "lands and buildings" and a sum of Rs. 2,000/- against "furniture and apparatus". The provision against "lands and buildings" is with a view to acquire the building and premises now housed by the North Elementary School on rent and the provision against "furniture and apparatus" to supply additional furniture to the Municipal Schools. The other provisions made under capital calls for no detailed explanation. The year is thus expected close with a balance of Rs. 910/-
